

To The Eagle Nation,

The Kentucky Derby is approaching very quickly. So that means our Annual Spring Opener is as well. We're open Friday night for meet and greet, the drinks and food are on us. We are having Jungle Juice on Friday (the remains on Saturday). We have two campers on site that can be used for the weekend, plenty of room for your campers / tents also two local hotels that we will provide shuttle to and from if needed (info below). Saturday's festivities include breakfast, a Derby Hat Contest for the ladies with 1st and 2nd prizes, of course our yearly biker games are always a good time with plaques for the winners and a prize for most events won. We are introducing a new game this year that all the adults can participate in. We will have the Derby on the TV, food and drinks, Mint Julips, Raffles and a 50\50. Kids are okay till 8PM. Business as usual on Derby Day.
