

U. S. Military Vets MC/GA12

2417 South Patterson St

Valdosta, GA. 31601

Brothers of the National Chapter,

The members of GA12 have voted and are in agreement that Tallahassee chartering will not hinder GA12 operations and will be extremely beneficial to the Eagle Nation.

The brothers located in Tallahassee have been dual hatting for over 2 years now. They have been running all protocol items in their AO and have been full, active brothers in the Valdosta chapter. They have a solid foundation laid in the Tallahassee area and every club they have introduced me to all have great things to say about their presence.

This letter of recommendation gives my full support and encouragement to my brothers in this endeavor. Very excited to have a supportive chapter so close.

I appreciate your time in this consideration.

A handwritten signature in black ink, appearing to read "James Knuckles Jessup". The signature is stylized with a large, sweeping loop at the end.

James Knuckles Jessup
President GA12
